If you wish to further your walling skills after attending the beginner's course, the recommended next step is to become an open member of the DSWA at www.dswa.org.uk/membership for an annual fee and affiliate to SWEDSWA. Within our region we can provide additional opportunities to attend basic course dates and members practice days to improve your skills.

If you then want to pursue the only official internationally recognised and industry standard certified LANTRA Craftsmen Certification Scheme qualifications in dry stone walling or need any further information regarding LANTRA qualifications, financial assistance to obtain the necessary qualifications and bursary schemes please contact the branch secretary of SWEDSWA or go to <https://www.dswa.org.uk/certification/>.

Taking the exams is not compulsory, many of our members attend to build walls in the countryside and improve their walling skills.

I hope this helps but if you have any further questions then please feel free to contact me via email or mobile 07736 419685.
